So good!By Jude~4/5At this point, I dont really have much to say about this series.I think its super good, sweet and thoughtful, and mature shojo.I love it.The development with Kai is really good; I like his friendship with Yamato, even if its

complicated, and with Mei, even if I'm not a fan of romance between them. Megumi is causing more and more drama for Mei and Yamato, and Yamato is being dumb about it. There is clearly more drama to come between these four. I look forward to it resolving, and am interested to see what comes after it. But even through it all, everyone is growing and learning, and that's important. Overall, I just really like this series. Everything about it. And it is always at the top of my list to pick up. ONE LAST DOUBT There's nothing like loving and getting loved back! Mei and Yamato are finally sure of their feelings for one another, but somehow, longtime loner Mei still feels anxious. Fashion model Megumi still hasn't given up on Yamato, and Yamato's best friend from middle school, Kai, has started at their high school. How will Yamato handle facing a part of his life he'd rather forget?
