0 of 0 people found the following review helpful. Great super-action superhero comicBy Nicola MansfieldGreat super-action superhero comic. Batman takes on street crime as two bosses decide to take each other out. Both Rupert Thorne and Scarface may want to own the streets, but they do both agree on one thing, Batman has to be taken out. Lots of fun

and action in this story as Scarface tries to take out Batman once and for all. Great pure comic action.

Scarface and the Ventriloquist are back. When they attach an explosive mini-Scarface dummy to Batman's arm, can Batman escape Scarface's trap without destroying Gotham City?
