Reminds me of the old Saturday morning cartoons from childhood. Keep up the good work. 0 of 0 people found the following review helpful. Just for fun. By Smoke_ring. Our three and five-year-olds both love these funny, silly mystery stories, and parents who watched the classic cartoons they're based on will get a chuckle from the references that are tucked into the dialogue. Fun to read out loud, too. 0 of 0 people found the
