Scott Snyder, Scott Tuft : Severed TP before purchasing it in order to gauge whether or not it would be worth my time, and all praised Severed TP:

0 of 0 people found the following review helpful. *SPOILER ALERT* I Had Much Higher Hopes By BEORH The art was good. The story was fair, but not drawn out enough for me. I needed more back-story and more detail about, for example, the woman who cooks the stew. There are several places in the book where more detail would be extremely

helpful, and scenes that could have been left out altogether, like the one where the railroad police try to rape the protagonist. That was unnecessary and a waste of time and pages.0 of 0 people found the following review helpful. FantasticBy smitty jonesThis is a great book. The art is amazing. Great use of colors. It really fits it's time setting well. But to me the real standout it is Snyder's writing. This is a great story about a child discovering the existence of evil. The villain is one of the best that I have seen in this format. I also found the story perfectly plotted.I would recommend this to anyone who is looking for a horror graphic novel to read.0 of 0 people found the following review helpful. I really enjoyed this bookBy Jonathan S. ChuaI don't consider myself a horror fan, but Snyder's work makes you care about the characters in their situations and throws in some twists. The fact that he doesn't name the antagonist something generic adds some suspense as you don't know what to expect all of the time. I really enjoyed this book.

12 year-old Jack Garron runs away from home to find his biological father, a wayward minstrel. Along the way he meets up with a traveling salesman whose winning smile is fake, beneath which hide his real teeth... jagged spikes that he uses to eat children! Eisner Award-Winning Writer Scott Snyder (Batman, Swamp Thing, American Vampire), Scott Tuft, and New York Times Bestselling Artist Attila Futaki (The Lightning Thief) bring you the collected paperback that everyone has been talking about Severed! Collects Severed #1-7.
