Months later they're still talking about it! 0 of 0 people found the following review helpful. Great book By Mandy Our 2 yo loves when we read this book to him. He loves doing the actions on each of the pages. A must have for young Marvel fans. 0 of 0 people found the following review helpful. Awesome Interactive style children's book! By Jessica This book is AWESOME!! My four year old LOVES the interactive features. Perfect for energetic little ones who may get bored distracted with most story books. It's super fun! One of our favorites!

With a simple shake or tap, the readers help the Avengers assemble into action! In this truly hands-on interactive picture book, the readers play a part in the storytelling. Through instructional text, children learn numbers and directions such as up, down, left, right, clockwise, and counterclockwise. Kids will enjoy the feeling of creating the story and the element of magic and wonder.
