Charles Soule : She-Hulk Volume 2: Disorderly Conduct before purchasing it in order to gage whether or not it would be worth my time, and all praised She-Hulk Volume 2: Disorderly Conduct:

5 of 5 people found the following review helpful. Great end to fantastic runBy Ryan ReadI have been a fan of She-hulk for years. When Dan Slott took the John Byrne approach to the series i was hooked. However, after that it was really hard for Jen to get a series that was nice balance between super heroics and being a lawyer. This was the right series for the right job. Charles Soule really put his own practice as a lawyer into the series and found a fantastic

balance with the character. Add in some legal drama and good old MU fun and this was a winning series. I was sad to see the series end after a year but it was a great year for this book. 1 of 1 people found the following review helpful. Just ok

The art never did it for me. It was very simplistic and almost awkward. The stories weren't as interesting as the first volume. The main 'blue file' storyline that was building in the first volume had a wrap-up that just didn't satisfy me - it resorted to someone summarizing what happened followed by the villain summarizing why. It felt like they had to rush to get the story done by the last issue (12). I like quirky comics; but, I think she-hulk has been done better.

Really wish they would write more!! Love this series. Their interpretation of She-Hulk is so modern and fun. She's awesome. This volume wasn't quite as good as the first, but still amazing. I want more!

Guest-starring Hank Pym! She-Hulk, Hellcat and Giant-Man team up to save one of Jen's offi cemates...but what else does Hank Pym have at stake, and what isn't he telling them? The return of superstar arti st JAVIER PULIDO!
COLLECTING: SHE-HULK 7-12
