**Sylvain Cordurie : Sherlock Holmes and the Necronomicon** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sherlock Holmes and the Necronomicon:

0 of 0 people found the following review helpful. Decent, but not as good as the firstBy Steph MehII liked this, though not as much as "Sherlock Holmes and the Vampires of London". The plot in this one was, well, it almost felt like an afterthought, to be honest, as it felt fairly rushed at times. It honestly felt like there should have been another story in between the "Vampires of London" and this one. The story also felt a little disjointed in sections, but I want to attribute

that to the fact that it is a graphic novel, and that does sometimes happen in that format. I think this kind of a story would have worked better as a standard novel instead of a graphic one, but it is still enjoyable. 0 of 0 people found the following review helpful. Great Tie In Story By esvp Great Graphic novel tying two separate threads together in one story. Good art work, well colored. 0 of 1 people found the following review helpful. special Christmas gift By calaughingdog Christmas present to husband enjoyed both because he is a Sherlock Holmes fan and a return to the fun of a graphic novel.

Following his encounter with the vampire Selymes, Sherlock Holmes embarks on an Arctic expedition under the assumed name of Thomas Sigerson. During his excursion, the great detective uncovers strange and dark forces at work, and only learns that some mysteries are best left unsolved! Sir Arthur Conan-Doyle meets H. P. Lovecraft!

About the Author Sylvain Corduri is a writer of French comics. He was born on May 19, 1968 in Neuilly-sur-Seine, France. After training at the Beaux-Arts d'Angers and a first experience in the world of role play in Oriflam at Archeon, he began writing fantasy and science-fiction comics. He has written many Sherlock Holmes comics including Sherlock Holmes and Vampires London, Sherlock Holmes Crime Alleys, Sherlock Holmes - Chronicles of Moriarty and Sherlock Holmes and the Necronomicon. The author lives in Angers, France.
