Great Anime book for girlsBy PatiLiving in Japan, my daughter found out about these books thru a friend here

who lent her the first two of the collection in English. When she read thru both books in an hour and re-read them, we started a search for the rest of the collection but not in Japanese. She was a happy girl this Christmas when she recieved them from Santa, and even though it's a quick read, I am glad that she still re-reads them and finds them interesting. I will be purchasing the 10th book when it's released in May.

CHARACTER SWAP! Amu has three Guardian Characters, reflections of her true self. But now a fourth egg has shown up at the start of a new school year. Everything has gone wrong, and Amu has no idea who she truly wants to be. Meanwhile, her rival Utau has rejected one of her own Guardian Characters. Is it time for the two to trade Guardians? Is that even possible? This volume of Shugo Chara! includes special extras after the story!
