Matsuri Hino : Shuriken and Pleats, Vol. 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Shuriken and Pleats, Vol. 1:

1 of 1 people found the following review helpful. Where is the next book! ('Cause i want to read it right now!)By Kindle CustomerLove this new character. I don't think I've ever seen so interesting a female character in manga. She's not falling in love at the drop of a feather for a pretty face. She has her goals and is learning to grow beyond her early education. I'm checking back frequently for the 2nd volume!0 of 0 people found the following review helpful. Love

Love LoveBy CourtneyI was so sad after the series Vampire Knight ended because i LOVE Matsuri Hino's work. This first manga is already so strong and good of a story. I downloaded a sample and i was hook, lined, sunk within minutes. As soon as i was done reading the sample i bought the manga and made sure i paid for express shipping so i could get it in my hands right away!0 of 0 people found the following review helpful. Interesting Enough . . .By Dr. Michael A. RinellaIt's "nice" ... I'd rank it at three and a half stars if I could. I've seen a lot of these tropes before, but its always fun to read them in a new setting. Long on the angst and short on the action but this is, it should be conceded, just the first volume.

When the master she has sworn to protect is killed, Mikage Kirio, a skilled ninja, travels to Japan to start a new, peaceful life for herself. But as soon as she arrives, she finds herself fighting to protect the life of Mahito Wakashimatsu, a man who is under attack by a band of ninja. From that time on, Mikage is drawn deeper into the machinations of his powerful family.

About the AuthorMatsuri Hino burst onto the manga scene with her title Kono Yume ga Sametara (When This Dream Is Over), which was published in LaLa DX magazine. Hino was a manga artist a mere nine months after she decided to become one. With the success of her popular series Captive Hearts, MeruPuri, and Vampire Knight, Hino has established herself as a major player in the world of shojo manga.
