Barry Chase has turned his back on his old life, going from superhero sidekick to a killer and potentially one of the most dangerous figures in the country. As a good guy, he sucked...but in turning to the dark side, has he finally found his true place in the world with the villainess Julia Moonglow at his side? And when he finds his former mentor the Red Cowl, vengeance will take on a new and horrifying face! Collects Sidekick #7-12.
